

Peppa Pig™

Nature Trail

Nature Trail

Peppa and her family are going on a nature trail. Mummy Pig asks Daddy Pig not to forget the picnic. "As if I would," laughs Daddy Pig.

They head off along the trail with their map. Oh dear! Daddy Pig has left the picnic in the car.

Mummy and Daddy Pig ask Peppa if she can

see anything interesting in the forest.

"I don't see anything but boring trees," says Peppa.

Then, she looks really hard and finds some footprints on the ground.

"Let's follow the footprints and see who made them," says Mummy Pig.

"We will have to be very quiet so we don't scare anything away. Shhhh!"

Peppa and George follow the footprints along the ground.

"It looks like they were made by a little bird," says Mummy Pig.

Soon, they come to the end of the footprints.

"The bird has flown up into that tree," smiles Daddy Pig.

"Where?" asks Peppa.

Daddy Pig gives Peppa binoculars to help her see the bird.

The binoculars make everything look bigger. Peppa can see one, two, three baby birds!

"They're eating worms," says Peppa.
"That's disgusting!"

Chirp!

Chirp!

George finds some more footprints. They are very little. Daddy Pig says they belong to ants collecting leaves to eat.

"I think it's time for lunch,"
says Mummy Pig. But Daddy Pig
has left the picnic in the car!

"My map is wrong," begins Daddy Pig.
"We'll have to follow our own
footprints back to the car."

Suddenly, it starts to rain. It washes everyone's footprints away!

"How are we going to find the car, now?" asks Mummy Pig.

The ducks lead Peppa and her family back to their car.
“We’re here! Thank you for your help Mrs Duck,” cries Peppa.

"I love picnics!" laughs Daddy Pig.

The ducks love picnics too.

Quack! Quack! So do the birds!

And so do the ants!

Munch! Munch!

"Everybody loves picnics!"

cries Peppa.

Nature Trail

Peppa and her family are so busy following animal footprints that they manage to get lost! How will they find their way back to the car to have their picnic?
